Important Note about insurance: If you have mortgage life or disability insurance or any other type of optional insurance, the transfer of servicing rights may not affect your insurance because we have not serviced mortgage life or disability premiums. However, if you wish to retain optional insurance, we would suggest that you contact your current optional product service provider or your Lender.

Under Federal law, during the 60-day period following the effective date of the transfer of the loan servicing, a loan payment received by your old Servicer on or before its due date may not be treated by the new Servicer as late, and a late fee may not be imposed on you.

Sincerely,
